Dear Shri Chiva Rao,

I have just seen your letter of October 3rd, and thank you very much for your assurance that you will do your best regarding the railway lines that we are pressing for Mysore State. I hope you and other Members of Parliament will certainly use your good offices in favour of Mysore getting lines sanctioned.

Regarding Kasargod I am doing what all is necessary. Possibly it may take some definite shape by the time the second Zonal Council for South India meets by about the first or second week of January.

Hope you are keeping fit. Please convey my respects to Mrs.Chiva Rao.

With warm regards,

Yours sincerely,

(S. Nijalingappa)
